*Lightcast (formerly Burning Glass technologies) is the source for skills in demand as it provides detailed text descriptions used in job vacancies. The JSA Internet Vacancy Index and Lightcast data are not directly comparable. The top 10 skills are baseline skills and exclude specialised skills. Proportions are calculated as a share of job ads which mention baseline skills. Some skills may have similar names but have different definitions in the Lightcast skills taxonomy.

Insights from the Recruitment Experiences and Outlook Survey

North Western Melbourne

Information on this page is based on the Recruitment Experiences and Outlook Survey, which is an ongoing survey of employers across Australia run by JSA. The survey collects insights on a range of topics, including recruitment activity, recruitment difficulty and employers' future staffing expectations. Data are for the year to February 2023, unless otherwise indicated.

Recruitment activity and experiences

In North Western Melbourne, there were 100 responding employers in the 12 months to February 2023, of whom 59% were recruiting or had recruited in the past month. Of these recruiting businesses, 83% had difficulty recruiting. By comparison, 58% of employers were recruiting in Greater Melbourne over the same period, of whom 69% had difficulty recruiting.

Employers in North Western Melbourne were most likely to report the following reasons for recruitment difficulty:

- Lack of applicants
- Undesirable working conditions/hours
- Lack of suitable applicants
- Applicants lack technical skills.
