Insights from the Recruitment Experiences and Outlook Survey

Australian Capital Territory

Information on this page is based on the Recruitment Experiences and Outlook Survey, which is an ongoing survey of employers across Australia run by JSA. The survey collects insights on a range of topics, including recruitment activity, recruitment difficulty and employers' future staffing expectations. Data are for the year to September 2023, unless otherwise indicated.

Recruitment activity and experiences

In Australian Capital Territory, there were 424 responding employers in the 12 months to September 2023, of whom 54% were recruiting or had recruited over the past month. Of these recruiting businesses, 53% had difficulty recruiting. By comparison, 52% of employers were recruiting in Australia over the same period, of whom 63% had difficulty recruiting.

Employers in Australian Capital Territory were most likely to report the following reasons for recruitment difficulty:

- Lack of suitable applicants
- Undesirable working conditions/hours
- Lack of applicants
- Applicants lack technical skills.

A chart showing reasons for recruitment for Australian Capital Territory and Australia is included to the right.

Note: employers can select multiple reasons for recruitment difficulty.
