Insights from the Recruitment Experiences and Outlook Survey

Northern Territory

Information on this page is based on the Recruitment Experiences and Outlook Survey, which is an ongoing survey of employers across Australia run by JSA. The survey collects insights on a range of topics, including recruitment activity, recruitment difficulty and employers' future staffing expectations. Data are for the year to September 2023, unless otherwise indicated.

Recruitment activity and experiences

In Northern Territory, there were 360 responding employers in the 12 months to September 2023, of whom 64% were recruiting or had recruited over the past month. Of these recruiting businesses, 68% had difficulty recruiting. By comparison, 52% of employers were recruiting in Australia over the same period, of whom 63% had difficulty recruiting.

Employers in Northern Territory were most likely to report the following reasons for recruitment difficulty:

- Location, eg remote or regional
- Lack of applicants
- Lack of suitable applicants
- Applicants lack technical skills.

A chart showing reasons for recruitment for Northern Territory and Australia is included to the right.

Note: employers can select multiple reasons for recruitment difficulty.

Reasons for recruitment

Staffing outlook for coming months

proportion of employers

Employers' staffing expectations

Recruitment methods

proportion of employers who were recruiting

■ Northern Territory ■ Australia

Note: employers can select multiple methods of recruitment.

Due to small sample sizes for data for the territories, caution should be exercised interpreting these results. Weighted data are used for Northern Territory and Australia. Number of responses for each item varies depending on whether employers recruited or not. Reasons for recruitment difficulty data are only available for employers who have completed recruitment.

Insights from the Recruitment Experiences and Outlook Survey

Darwin

Information on this page is based on the Recruitment Experiences and Outlook Survey, which is an ongoing survey of employers across Australia run by JSA. The survey collects insights on a range of topics, including recruitment activity, recruitment difficulty and employers' future staffing expectations. Data are for the year to September 2023, unless otherwise indicated.

Recruitment activity and experiences

In Darwin, there were 296 responding employers in the 12 months to September 2023, of whom 59% were recruiting or had recruited in the past month. Of these recruiting businesses, 66% had difficulty recruiting. By comparison, 64% of employers were recruiting in Northern Territory over the same period, of whom 68% had difficulty recruiting.

Employers in Darwin were most likely to report the following reasons for recruitment difficulty:

- Lack of suitable applicants
- Lack of applicants
- Location, eg remote or regional
- Applicants lack technical skills.

A chart showing reasons for recruitment for Darwin and Northern Territory is included to the right.

Reasons for recruitment

Staffing outlook for coming months

proportion of employers

Employers' staffing expectations

Recruitment methods
