Note: Small cells should be viewed with caution due to small sample sizes and regional volatility.

# **Employment Region Industry profile**

# **Wivenhoe Employment Region**

Release date: 27 March 2025

## Overview

In February 2025, there were around 306,800 people employed in the Wivenhoe Employment Region. The 5 largest employing industries in the region were Health Care and Social Assistance, Retail Trade, Education and Training, Professional, Scientific and Technical Services, and Public Administration and Safety. Together these 5 industries accounted for 53% of employment in the region.

Over the year to February 2025, employment in:

- Health Care and Social Assistance rose by 2.3% to stand at 49,400
- Retail Trade rose by 14.6% to stand at 32,200
- Education and Training rose by 0.1% to stand at 29,800.

In Health Care and Social Assistance in the Wivenhoe Employment Region, 57% of workers were employed full-time; 76% were female; and the median age of the workforce was 41.

## Employment by industry, February 2025 and February 2024

Source: ABS Labour Force Survey\*, Detailed, four quarter averages, February 2025. Note that total employment for the region (four quarter averaged data) will not match data published in the Employment Region Labour Market dashboards (modelled estimates).

\*ABS Labour Force Survey data are based on the combined SA4s of Brisbane-West and Ipswich.

Notes: Data are the latest available. A high degree of caution should be exercised when interpreting data at the regional level, particularly in regards to percentage changes, given the volatility of the underlying data. For any enquiries related to the data in this report, please contact RegionalWorkforceAssessment@jobsandskills.gov.au
