

# **Employment Region Industry profile**

# **Sydney South West Employment Region**

Release date: 27 March 2025

## Overview

In February 2025, there were around 411,100 people employed in the Sydney South West Employment Region. The 5 largest employing industries in the region were Health Care and Social Assistance, Construction, Transport, Postal and Warehousing, Retail Trade, and Manufacturing. Together these 5 industries accounted for 56% of employment in the region.

Over the year to February 2025, employment in:

- Health Care and Social Assistance rose by 24.1% to stand at 71,200
- Construction fell by 9.0% to stand at 44,400
- Transport, Postal and Warehousing rose by 41.0% to stand at 41,700.

In Health Care and Social Assistance in the Sydney South West Employment Region, 65% of workers were employed full-time; 73% were female; and the median age of the workforce was 40.

## Employment by industry, February 2025 and February 2024

Source: ABS Labour Force Survey\*, Detailed, four quarter averages, February 2025. Note that total employment for the region (four quarter averaged data) will not match data published in the Employment Region Labour Market dashboards (modelled estimates).

\*ABS Labour Force Survey data are based on the combined SA4s of Sydney - Outer South West; and Sydney - South West.

Notes: Data are the latest available. A high degree of caution should be exercised when interpreting data at the regional level, particularly in regards to percentage changes, given the volatility of the underlying data. For any enquiries related to the data in this report, please contact RegionalWorkforceAssessment@jobsandskills.gov.au

Notes: In each chart, the solid line is the level of employment and the dotted line is a simple linear trend line for the 10 year period. Given the volatility of the underlying data, employment estimates should be treated with a high degree of caution. Particular focus should be placed on the employment series over time to ascertain more reliable long-term growth trends.

## Employment characteristics by Industry

### Which industries are youth (aged 15-24) employed in?

Source: ABS Census of Population and Housing, 2021.

## Which industries are mature age persons (aged 55+) employed in?
