

Employment Region Industry profile

Darwin Employment Region

Release date: 25 September 2025

Overview

In August 2025, there were around 90,400 people employed in the Darwin Employment Region. The 5 largest employing industries in the region were Health Care and Social Assistance, Public Administration and Safety, Education and Training, Construction, and Retail Trade. Together these 5 industries accounted for 59% of employment in the region.

Over the year to August 2025, employment in:

- Health Care and Social Assistance rose by 3.5% to stand at 15,200
- Public Administration and Safety rose by 1.8% to stand at 13,600
- Education and Training rose by 11.0% to stand at 8,400.

In Health Care and Social Assistance in the Darwin Employment Region, 78% of workers were employed full-time; 71% were female; and the median age of the workforce was 37.

Employment by industry, August 2025 and August 2024

Source: ABS Labour Force Survey*, Detailed, four quarter averages, August 2025. Note that total employment for the region (four quarter averaged data) will not match data published in the Employment Region Labour Market dashboards (modelled estimates).

*ABS Labour Force Survey data are based on the Darwin SA4.

Notes: Data are the latest available. A high degree of caution should be exercised when interpreting data at the regional level, particularly in regards to percentage changes, given the volatility of the underlying data. For any enquiries related to the data in this report, please contact RegionalWorkforceAssessment@jobsandskills.gov.au

Notes: In each chart, the solid line is the level of employment and the dotted line is a simple linear trend line for the 10 year period. Given the volatility of the underlying data, employment estimates should be treated with a high degree of caution. Particular focus should be placed on the employment series over time to ascertain more reliable long-term growth trends.

Employment characteristics by Industry

Which industries are youth (aged 15-24) employed in?
