Source: Department of Social Services, JobSeeker and Youth Allowance (other) payment recipients, data.gov.au, January -26; ABS, Labour Force Survey, Detailed, MRM2, January -26

Source: Jobs and Skills Australia, Internet Vacancy Index, seasonally adjusted data, January-26

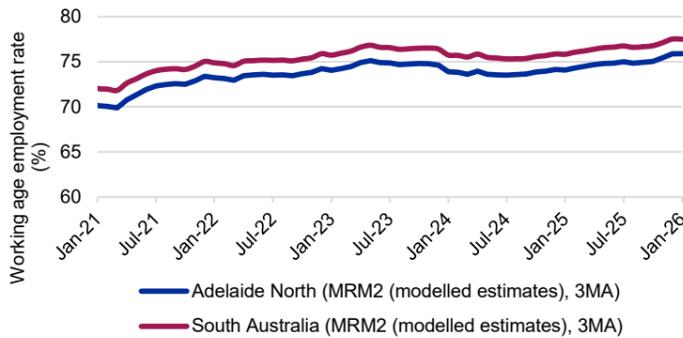

Notes: Data in the labour market summary table are seasonally adjusted data and MRM2 data (3MA) with the exception of the youth unemployment rate which are 12MA of MRM2 estimates \*Job seeker payments include those who are in receipt of either JobSeeker (aged 22 and over but under the Age Pension qualifying age) or Youth Allowance (other) payments (those aged 16 to 21). The reporting population for income support payments has changed to include those who are suspended from payment, and those who are current but on zero rate of payment for JobSeeker payments and those who are suspended from payment for Youth Allowance. Note that not everyone in receipt of income support is on the caseload. Data are published on data.gov.au. For further information about the data, refer to the Employment Region Labour Market Dashboards data sources and quality document at jobsandskills.gov.au. For enquiries related to this dashboard, contact RegionalWorkforceAssessment@jobsandskills.gov.au.

This **Labour Market Dashboard** provides key indicators for the labour market by Employment Region and is updated monthly.

Note: Data are not readily available by Employment Region. ABS modelled estimates are based on the Adelaide - North; and Adelaide - West SA4. The Internet Vacancy Index (IVI) and income support data are apportioned to Employment Regions using an SA2 based concordance. \*Job seeker payments include those who are in receipt of either JobSeeker (aged 22 and over but under the Age Pension qualifying age) or Youth Allowance (other) payments (those aged 16 to 21). The reporting population for income support payments has changed to include those who are suspended from payment, and those who are current but on zero rate of payment for JobSeeker payments and those who are suspended from payment for Youth Allowance. Note that not everyone in receipt of income support is on the caseload. Data are published on data.gov.au.  
#Given the volatility of the underlying data, industry employment proportions should be treated with a high degree of caution, particularly change over the year figures.
