Insights from the Recruitment Experiences and Outlook Survey

Capital Region

Information on this page is based on the Recruitment Experiences and Outlook Survey, which is an ongoing survey of employers across Australia run by JSA. The survey collects insights on a range of topics, including recruitment activity, recruitment difficulty and employers' future staffing expectations. Data are for the year to August 2026, unless otherwise indicated.

Recruitment activity and experiences

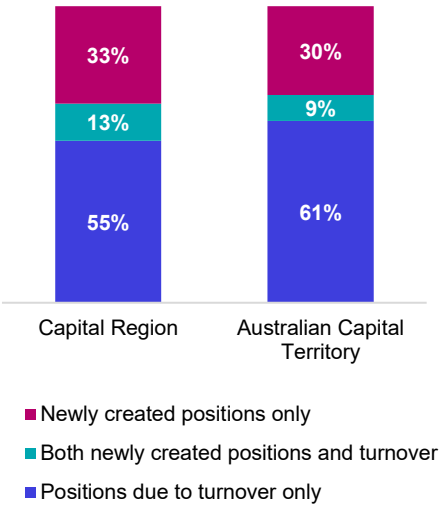

In Capital Region, there were 460 responding employers in the 12 months to August 2026, of whom 47% were recruiting or had recruited in the past month. Of these recruiting businesses, 37% had difficulty recruiting. By comparison, 47% of employers were recruiting in Australian Capital Territory over the same period, of whom 35% had difficulty recruiting.

Employers in Capital Region were most likely to report the following reasons for recruitment difficulty:

- Lack of suitable applicants
- Applicants lack technical skills
- Applicants lack experience
- Undesirable working conditions/hours.

A chart showing reasons for recruitment for Capital Region and Australian Capital Territory is included to the right.

Note: employers can select multiple methods of recruitment.

Due to small sample sizes for regional data, caution should be exercised interpreting these results. Unweighted data are used for Capital Region, while weighted data are used for Australian Capital Territory. Number of responses for each item varies depending on whether employers recruited or not. Reasons for recruitment difficulty data are only available for employers who have completed recruitment.
