Insights from the Recruitment Experiences and Outlook Survey

New England and North West

Information on this page is based on the Recruitment Experiences and Outlook Survey, which is an ongoing survey of employers across Australia run by JSA. The survey collects insights on a range of topics, including recruitment activity, recruitment difficulty and employers' future staffing expectations. Data are for the year to August 2026, unless otherwise indicated.

Recruitment activity and experiences

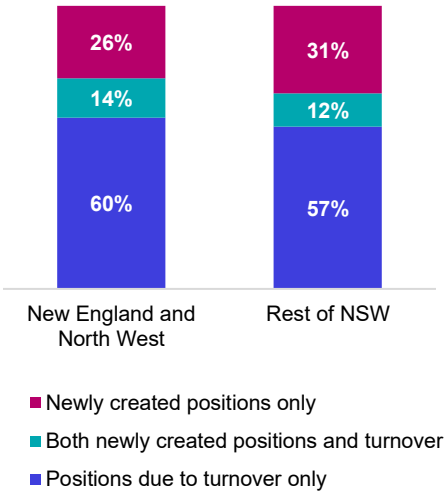

In New England and North West, there were 86 responding employers in the 12 months to August 2026, of whom 51% were recruiting or had recruited in the past month. Of these recruiting businesses, 49% had difficulty recruiting. By comparison, 50% of employers were recruiting in Rest of NSW over the same period, of whom 44% had difficulty recruiting.

Employers in New England and North West were most likely to report the following reasons for recruitment difficulty:

- Undesirable working conditions/hours
- Lack of suitable applicants
- Applicants lack technical skills
- Lack of applicants.

A chart showing reasons for recruitment for New England and North West and Rest of NSW is included to the right.

Note: employers can select multiple methods of recruitment.

Due to small sample sizes for regional data, caution should be exercised interpreting these results. Unweighted data are used for New England and North West, while weighted data are used for Rest of NSW. Number of responses for each item varies depending on whether employers recruited or not. Reasons for recruitment difficulty data are only available for employers who have completed recruitment.
