Insights from the Recruitment Experiences and Outlook Survey

North and North Western Tasmania

Information on this page is based on the Recruitment Experiences and Outlook Survey, which is an ongoing survey of employers across Australia run by JSA. The survey collects insights on a range of topics, including recruitment activity, recruitment difficulty and employers' future staffing expectations. Data are for the year to August 2026, unless otherwise indicated.

Recruitment activity and experiences

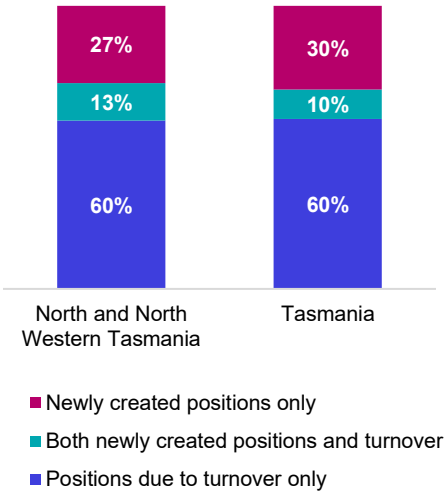

In North and North Western Tasmania, there were 279 responding employers in the 12 months to August 2026, of whom 44% were recruiting or had recruited in the past month. Of these recruiting businesses, 42% had difficulty recruiting. By comparison, 43% of employers were recruiting in Tasmania over the same period, of whom 39% had difficulty recruiting.

Employers in North and North Western Tasmania were most likely to report the following reasons for recruitment difficulty:

- Lack of suitable applicants
- Undesirable working conditions/hours
- Applicants lack experience
- Applicants lack technical skills.

A chart showing reasons for recruitment for North and North Western Tasmania and Tasmania is included to the right.

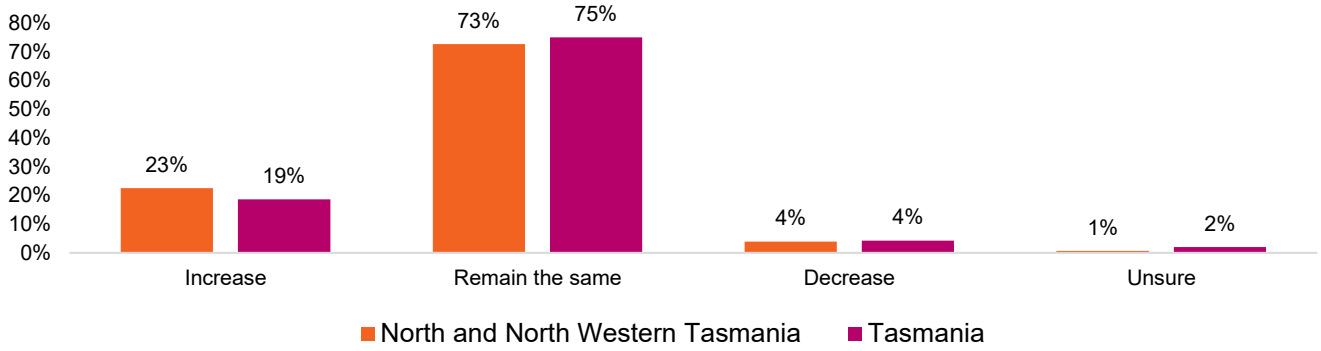

Reasons for recruitment

Staffing outlook for coming months

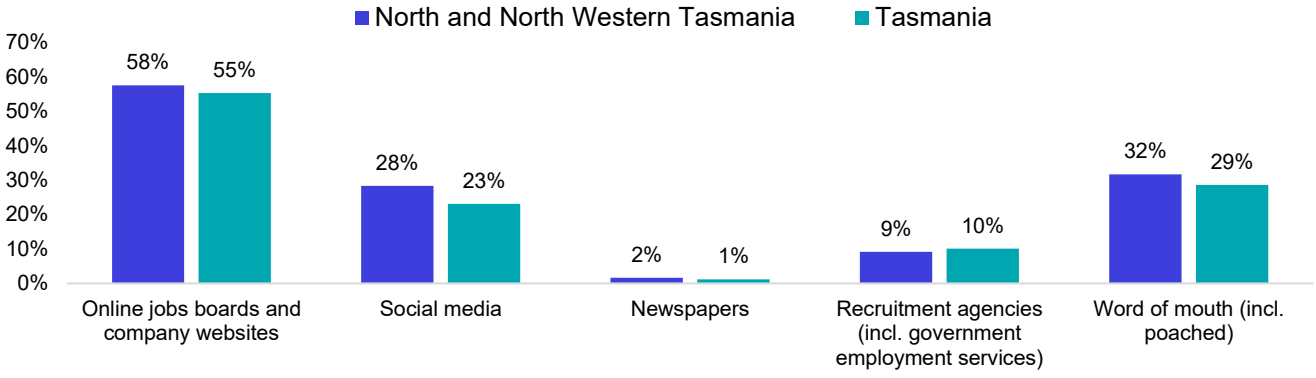

proportion of employers

Employers' staffing expectations

Recruitment methods

proportion of employers who were recruiting

Note: employers can select multiple methods of recruitment.

Due to small sample sizes for regional data, caution should be exercised interpreting these results. Unweighted data are used for North and North Western Tasmania, while weighted data are used for Tasmania. Number of responses for each item varies depending on whether employers recruited or not. Reasons for recruitment difficulty data are only available for employers who have completed recruitment.
